Jesse,

Per the EPA letter (Ref: 8EPR-SR), dated August 28, 2017, and in accordance with the 2008 Administrative Settlement Agreement and Order on Consent for Remedial Investigation/Feasibility Study (AOC), CERCLA-08-2008-0011, the City and County of Denver is submitting this technical memorandum scoping the revised remedial investigation for the Vazquez Boulevard and Interstate 70 Superfund Site, Operable Unit 2. This memorandum includes a revised conceptual site model and risk assessment approach. A revised RI/FS schedule is included on page 5 of the memorandum for your consideration.

Jesse and Fonda, I propose a meeting the week of February 11th to review our recommendation with you. Please let me know if that sounds reasonable or if you believe you'll need additional review time.

Regards, Kara

Kara Edewaard
